Valentine Party for Mrs. Lusk.

Wednesday evening at the home of Mr. and Mrs. H. C. Meyer, 709 West Silver avenue, a jolly Valentine party was given by St. John's choir in honor of Mrs. Don W. Lusk, who left today for El Paso to reside.

Mrs. Lusk has been a member of St. John's choir for over two years and will be greatly missed by her many friends in the church.

Decorations of red hearts and cupid artistically fastened from doorways to chandeliers, and exquisite bunches of cut-flowers gave a pleasing and festive appearance to the rooms.

Dancing was the evening's entertainment and the programs were particularly nice souvenirs of the occasion, having been designed and made by Mr. H. C. Meyer. They were white linen cards, having on one side in the upper left hand corner a red heart and in artistic gold letters the words, "Given in honor of Mrs. Don W. Lusk, February 11, 1914 by St. John's Choir," and on the other side the order of dances and a red heart.

Punch was served during the evening and towards midnight ice cream and delicious cake were enjoyed by all.

The refreshments, which were delicious, carried out as far as possible the color scheme. There were red hearts of Jello and cakes which were heart-shaped as well as many other delicious edibles.

The spirit of St. Valentine pervaded the games and decorations and the supper which was served at a late hour, was delicious.

With the plans for the various side shows, vaudeville stunts, etc., fully worked out, the annual Washington's Birthday fete given by the varsity students at the Economical building next Saturday afternoon and evening promises to be the biggest success of all university functions of the year. The Washington's Birthday fete, it may be explained, is an annual affair of the varsity's, in which all the campus jokers and actors unite their efforts to produce a distinctly original and humorous indoor carnival. It is something which is never found in any but a collegiate performance, and for that reason, if no other, is sufficient to warrant the support of the public. The proceeds go into the treasury of the Athletic association, and are used for the maintenance of athletics in the university.

The general plan of the fete is based on the principle of a good time for the spectator, and with this end in view, the various student organizations have chosen different phases of the entertainment game, and have worked up stunts along their respective lines.

The Phi Mu sorority, the Tri-Alpha and the Sigma Tau fraternities, the Coyote club and the Freshman and Sophomore classes have all worked up some clever ideas in the way of side shows, the exact nature of which, however, is being kept a secret until the time for the fete arrives. The names of some of the stunts have been made public, and judging from them the acts themselves cannot be anything but excellent. They are: The Meteor, The Missing Link, The Fossils, including the Ossified Man and the Fat Lady, the Celestial Observatory, the Modern Art Gallery, and many others.

The Sub-Freshman, Junior, Senior and Normal classes have taken charge of the sale of edibles for the occasion. This alumni will also be represented, though just what their part will be is not yet known. In addition to all these a continuous vaudeville, in which all will take part, will be presented. No more need be said of this, for the ability of the varsity students as actors is well known. The fete will conclude with a dance, at which the elite of Albuquerque will be much in evidence. The dance is the big event of the whole affair, and will be well worth attending.

In previous years, invitation cards have been issued, thus limiting the attendance. This will not be done this year, and a general invitation is extended to all who are interested in the university, in athletics, or who enjoy something novel in the entertainment line.

At 3 o'clock in the afternoon on St. Patrick's day in the school hall at the Immaculate Conception school the pupils will give an elaborate entertainment.

Ossified Man and Fat Lady to Be Features of Unique University Washington's Birthday Fete and Circus

Rehearsals for "Seven Days." Rehearsals for the Elks' show, "Seven Days," are progressing nicely and all who attend the performance are promised an unusually good amateur entertainment. The innumerable clever and humorous situations, the many witty remarks and the confusion of unexpected circumstances combine to keep something happening every minute.

Next Monday night in St. Mary's hall, the Young Men's and Young Women's Sodality of the Immaculate Conception church will give a musical, a most attractive program being in preparation.

Auto Show Ends in Blaze of Glory; Will Be an Annual Performance

The Auto show closed Thursday evening in a blaze of glory. There is no doubt that it will be an annual event. As a social as well as a business affair it was a huge success.

The exhibitors' booths were artistically decorated and attractively arranged. There were crowds in them all the time looking with interest at the 1914 models; a great many cars were sold and the dealers are unanimously in favor of repeating the performance every year.

Miss Gladys Mandel had the flower booth decorated in a most pleasing manner with palms and white bunting and did a big floral business, a particular drawing card being a basket of lovely flowers, different each evening, which were disposed of with great success.

The pennant booth also did a great deal of business. A great many pennants as well as the large Albuquerque and New Mexico pennants were sold. Miss Isabel Thorne of Jonesboro, Ark., has the classy lunch basket and Mr. Harry Leonard is the proud possessor of the auto lap robe.

Miss Mandel and Miss Hubbs owe their success to the enthusiastic assistance given them by a number of young ladies and several of the young men.

Thursday evening the flower booth presented to Mayor Sellers a large automobile wheel banded with pink and white carnations, in appreciation of his enthusiasm and untiring efforts, mainly responsible for the great success of Albuquerque's first Auto show.

A popular place at all times was the attractive booth of Schutt and David, where candy and delicious drinks were sold.

The general effect of the decorations in the armory was magnificent. Bunting of many colors brightened with innumerable electric lights of various tints gave the whole a gay and brilliant appearance.
